SURU INTERNATIONAL PVT. LTD.

NIV FULL FACE MASK (CPAP / BIPAP)

Product Name: NIV Full Face Mask (CPAP) / (BIPAP)

Item Code: 4144C, 4144B

Features:

- NIV Full Mask is designed to support enhanced non-invasive ventilation (NIV). Non-invasive Ventilation or NIV has become an essential tool in the management of respiratory failure
- The Full Face NIV Mask are comfortable and effectively customized for patients that require non-invasive ventilation treatment in hospitals
- NIV breathing masks cover the nose and the mouth to ensure effective NIV therapy and are ideal for mouth breathers
- NIV mask provides maximum effectiveness by establishing a comfortable seal. Full face mask are often the first – line strategy in the initial management of acute respiratory failure as they cover both the nose and the mouth, minimizing concerns related to mouth breathing
- Non-invasive ventilation full face mask is designed to support NIV therapy
- Extremely simple and designed for a comfortable fit
- A less obtrusive, lightweight and small profile design make it a perfect mask for patients
- The mask has quiet venting and very soft silicone cushioning to improve patient comfort

Available Configuration :

- Size : Small, Medium, Large
- BIPAP Vented & CPAP Non-Vented
